A Chorus for a Cause/Harmony Ringers is looking for individuals and businesses who are willing to sponsor us. No amount is too small. Individuals and businesses giving \$100 or more will have your name printed on a large vertical banner that will be displayed at each of our eight concerts for the 2022-2023 season. Names will be grouped on the banners according to the level of giving. In addition, we will feature businesses with donations of \$100 or more on our Facebook page and ACFAC website. Thank you for your generous donation.
